### A plan for Giving

Everyone of us is asked to contribute, to decide how you can help, it is key to pray about it.

Here are some principles for giving:

**Faithfully** ... believe first, then understand how to do it; don't do it the other way round.

**Prudently** ... consider the realities of your position, remember the power of tax benefits and the benefits of sustained giving.

**Generously** ... not through duty or obligation, but with thanksgiving from the heart; this will not bring hardship but joy.

**In Partnership** ... with everyone in our St. Thomas' community, understanding that everyone is in a different position and every contribution is valued and appreciated.

### METHODS OF GIVING

- Pre-Authorized Giving (PAG)
- Planned giving and bequests

## A YEAR IN THE LIFE OF ST. THOMAS'

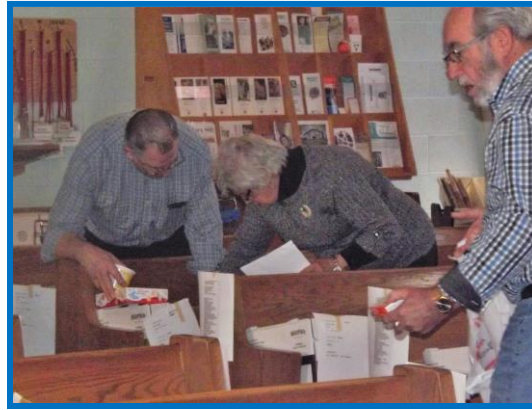

There were times of Worship on Sundays, Holy Week and Christmas. We hosted the 2018 Women's World Day of Prayer.

We provide a prayerful presence in many of the west end retirement and nursing homes.

There were times of fellowship with our Seniors, Pot-lucks, Church Picnic, Golf Tournament and Coffee Hours.

We reached out into our community and the world by supporting the Food Bank, Nightlife Mission through the Coldest Night Walk, Christmas Hampers and the PWRDF.

We learned together in Sunday School, Messy Church, Confirmation Classes and in 5 small groups close to forty parishioners study God's Word and the impact it has on their lives.

## Rector's Note

This past year was, again, truly a testament to God's grace and provision. Thanks to your support through prayers, finances and serving, we have witnessed valued ministries continue to serve God and our community.

We have begun a partnership with other Anglican Churches through shared worship this past Advent. This will continue in May 2019 with "Renovare" a mission on renovating our faith and witness.

I also want to spend time this year listening to you and discerning where God is calling St. Thomas' to be in the year's ahead.

As we look toward next year at St. Thomas', please continue to pray for God's leading in our church as well as any ways He could be calling you to serve.

Thank you for your continued prayers and support. I can't wait to see where God brings us next year!
